## Process for examination entries with the RAD and ISTD

Examinations form an integral part of our quality assurance process and as an essential part of the students dance education and development.

Students are entered for the ISTD (Imperial Society of Teachers of Dance) examinations in Tap and Modern and for the RAD (Royal Academy of Dance) examinations in Ballet up to and including Advanced level. Examinations are accredited on the national qualifications framework (NQF).

If students are nominated for an exam, they will receive a letter of invitation from KAR Dance. Whilst examinations are not mandatory, they are highly recommended. If, for any reason you do not wish your child to take the exam then please inform the School Principal verbally by the date stipulated on the offer letter.

## Conditions of entry and fees

- Entry for exams is by invitation of the School Principal. Decisions are made in consultation with the relevant teachers and are based on assessment of a student's ability and individual needs.
- There is no upper age limits for these exams but the examination boards do set minimum age requirements on some exams – this is to protect children's health and safety at relevant developmental stages. *See our EDI policy*
- As a condition of entry, nominated students must attend additional preparatory classes – these consist of a finishing class, a dress rehearsal class and up to 6 additional classes over the weeks preceding the exam session. The dates will be provided on the offer letter and the student must commit to attend.
- Dress code - Children will be required to wear their KAR uniform for the exams. These should be clean and in excellent condition for the exam. In some cases they may need to wear satin ballet shoes and/or character shoes and skirts for ballet exams. This will be stipulated in the letter.
- The exam fee is set by the relevant examining body. Refunds for examinations are not given by the exam boards, unless the student can provide a doctors sick note (upon receipt of this a 50% refund towards another exam is given).
- There will also be a fee payable to KAR dance which covers the additional coaching classes, venue hire, administration costs, music operator and pianist costs. We are very fortunate that we are able to host exam sessions from our regular teaching venues. This saves our students and parents the cost and time of travelling independently to take the exam at the ISTD or RAD dance centres in London. It also means they will be able to take their exam in familiar surroundings.

If you have any questions about the examinations process, please speak to the School Principal
